

World sustainable transport day

26 November

How to use this kit

You will find in this kit

- Social card templates to create your own posts supporting this day. These are available in PSD and PNG
- You can use the pre-made cards to show your support
- You can add the signature to your email linking to <http://www.worldsustainabletransportday.org/>

Fonts

The font used is "Anybody"

You can find it here: <https://fonts.google.com/specimen/Anybody>

Social card templates

You can add your own photo and quote as the example here below:
